Fairfax County Police Association
5625 Revercomb Ct
Fairfax, VA 22030

Dear Esteemed Colleagues at Fairfax County Police Association,

I trust this letter finds you enveloped in the vibrant spirit of community engagement. With great pleasure, I extend a warm greeting on behalf of Canine Concierge Corporation, a dynamic newcomer to the tapestry of nonprofit endeavors in our shared neighborhood.

At Canine Concierge Corporation, we are driven by an unwavering commitment to uplift and transform lives within our community. Our journey began with a simple yet profound belief in the healing power of human-animal interaction. Drawing inspiration from the profound impact that these connections can have, we embarked on a mission to create a sanctuary of solace and support for those in need.

Our vision is to cultivate a nurturing environment where individuals from all walks of life can find refuge in the presence of our specially trained animal-assisted therapy (AAT) dogs and their dedicated handlers. These remarkable creatures serve as catalysts for healing, providing a wide array of benefits ranging from physical rehabilitation to emotional well-being. From hospitals to senior centers, our four-legged companions are poised to make a difference wherever they are called upon.

In our quest to realize this vision, we have meticulously attended to the legal intricacies accompanying such a venture, ensuring that transparency and compliance remain the cornerstones of our operations. We are pleased to report that all necessary licenses and registrations have been secured, setting a solid foundation for our future endeavors.

As we eagerly anticipate the finalization of our tax-exempt status, we are excited to engage with fellow nonprofits and community leaders like yourselves. We can effect positive change and foster a more compassionate society. We invite you to explore our website to learn more about our legal framework and organizational journey.

While our organization may be new to the scene, our aspirations are bold, and our determination is unwavering. We believe that by working hand in hand with the Fairfax County community, we can amplify our impact and create a brighter future for all. We encourage you to join us on this transformative journey by subscribing to our monthly newsletter and staying connected with our progress.

Thank you for considering our mission and for your invaluable support. Let us pave the way for a more inclusive and empathetic tomorrow together.

With warm regards,

Michael Stokes
